General Information

What items are available for purchase?

The Election Office has Voter Data, Advance Voting Data and Maps available for public purchase.

How can I place an order?

Orders may be placed in person at the Election Office, over the telephone, or via email.

When will my order be available?

Orders are filled on a first-come, first-served basis. Requests may take up to 3 days to process depending on the election and availability of staff.

How can I receive my order?

The Election Office will call when an order(s) is ready for pick up.

When is payment for the order due?

Payment is due when the order is picked up at the Election Office. Orders that are not retrieved in 30 days must be pre-paid in the future.

Using the Information

How could I use the information available?

- * Sort street addresses to create a precinct walking list.
- * Sort to find all Democrats, Republicans, or other party members to create a call list.
- * Find voter history to see who has voted in different elections in the past.
- * Create a mailing list by district, party, or a combination of variables.

How can I get mailing labels?

Take your purchased CD to an outside source to create labels. View bulletin board located in the Election Office Library for information on outside sources.

What type of operating system and/or software is needed to run a CD?

- * A current version of Windows is recommended.
- * A database program like Microsoft Access works well.
- * Basic computer and database knowledge with the ability to import or export data and write queries and reports is beneficial.
- * The Election Office is not responsible for software support.
