Outreach and Recruitment for Fall Elections 2014

We are in need of Election Workers, especially in the outlying areas of the county: De Soto, Gardner, Edgerton, Spring Hill, Stilwell and western Shawnee. Be on alert for family, neighbors and friends who live in these areas willing to join the team. You, the Election Worker, understand the job commitment. Please send us names and addresses; we will send the new prospects information and an application form. As always, we appreciate your assistance. Thank you!

Don't forget the Torch Club - family members step up and join the team with you or take your place if you are ready to retire. **And the Star Search Club** - please be alert to friends you think would make good Election Workers. We track new recruits, and when they work, we send you a special recognition pin!

DID YOU KNOW THAT ABOUT THE CONSTITUTION?

Six men signed both the Declaration of Independence and the Constitution: George Read, Roger Sherman, Benjamin Franklin, Robert Morris, George Clymer, and James Wilson.

The Constitution does not require that the Speaker of the House of Representatives be a member of the House, although a nonmember has never been chosen Speaker.

Only one Amendment to the Constitution has been repealed - the 18th (Prohibition).

Constitution Day is a federal observance that commemorates the U.S. Constitution and its legacy of freedom. It is observed on September 17, the day the Constitution was signed in 1787.
