Standing Up for Ward 3 A Servant of the People MARSHA WILLIAMS

"When I became your city councilwoman, I promised to serve you with honesty and integrity. I have worked hard to do just that. Unfortunately, there are those who are working to undermine our progress, and, now, I am faced with hurtful and untrue allegations that are meant to distract us from the real issues in Merriam. Please stand with me against these destructive politics of yesterday and for a brighter future for our community. I promise to continue putting you first." - Marsha
